## Student Success Is Our Priority

# Placement

# Brochure 2017-18

# 1

## **Student Success Is Our Priority**

*Our institute emphasizes on motivation, guiding the students, maintaining discipline, and quality improvement in order to fulfil the requirement of industries and service sector.*

## **Director Message**

*I am happy to introduce our graduating batch of B.Tech students as they prepare themselves for the forthcoming campus placement season. These students are looking forward to June 2018 when they will graduate and enter the exciting world of corporate, after having gone through a rigorous program of two years. These students have already completed their core courses and have now started with their elective courses and major project work. We are confident that while the former has helped them build the required theoretical foundations and to shape themselves professionally in distinct ways. We invite you to Placements 2017 - 18 and hope that your participation would prove fruitful to all involved*

## **From the Training & Placement Team**

*The graduates from our institute are ambitious and youthful group of innovative technologists who will carve a niche for themselves in the world of technology by the virtue of their zeal for excellence and hard work. It is an honor for us to invite the recruiting corporates for the campus placement and we are confident that you will leave the campus equally privileged.*
