

MEMORANDUM OF UNDERSTANDING
BETWEEN
INSTITUTE OF TECHNOLOGY, GOPESHWAR
AND
PROGRAMMING DAYS

Programming Days (hereafter the host organization/Industry) and Institute of Technology, Gopeshwar (A Constituent Institute of Uttarakhand Technical University, Dehradun, Government of Uttarakhand) (hereafter ITG) hereby establish a Memorandum of Understanding with respect to the following purpose and roles

The terms of the MOU are as specified below: -

Item 1: Purpose

The fields of engineering and technology undergo changes every day, and we need to keep up with their requirements. Students need to have skills required by the industry. There has to be a constant dialogue between educational institutes and the industry. With a view to training high-level researchers and practitioners with the skills and knowledge necessary to solve today's global/regional/local environmental problems, ITG has established an MOU with the host organization/institution that will further the individual student's education and develop the practical skills he or she will need for his/her future career.

Item 2: Role

Curriculum Design

Host organization/ Industry will give valuable inputs to ITG in teaching/ training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Guest lecture

Host organization/Industry to extend the necessary support to, deliver guest lecturers to the students of ITG on technological trends and in house requirements.

Final year projects with sponsorships

Host organization/Industry to; provide necessary support to final year students regarding their projects.

Industry institute interaction

Both the parties have agreed to carry out the activities for industry institute interaction.

Industrial Training and visit

Industry and institution interaction will give an insight in to latest development/requirements of the industries. Host organization/ Industry to permit the faculty and students of the ITG to visit its company and also involve in training programs for the ITG. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have smooth transition from academic to working career.

Research and development

Both parties have agreed to carry out the collaborative research activities that will benefit both. Also provide technical inputs to the startup of ITG.

Item 3: Expenses

Travel Expenses

Payment of travel costs to and from the host organization/institution is a matter of discretion, to be determined through consultation among both parties (the host organization/institution, ITG).

Lodgings/accommodation during Meeting

The matter of leasing or loaning lodgings/accommodation to the student during the meeting/guest lecture/ industry visit is to be determined through consultation among both parties (the organization/institution, ITG).

Remuneration

The matter of remuneration paid to the industry expert/faculty during the period of internship/training/workshop/visit is to be agreed upon by the both parties (the host organization/institution, ITG)

Item 4: Keeping confidentiality

The ITG agrees to keep strict confidentiality. On no grounds ITG to disclose information obtained over the course of the program which is deemed classified by the host organization/institution.

Item 5: Publication of results

Item 14: The publicizing of research results gained by the student/faculty over the period of his/her research is to take place only after consultation with ITG and the host organization/institution.

Item 6: Period of validity of the Memorandum of Understanding

This Memorandum of Understanding is valid for five years, effective from the date that its signing is concluded by representatives of ITG and the host organization/institution.

Item 7: Termination/renewal of the Memorandum of Understanding

A period of one-month notice is required in the case when either party (ITG or the host organization/institution) wishes to terminate the agreement established in this Memorandum of Understanding. Any such wish must be expressed in writing. Any decision to renew the agreement must again be agreed upon by both parties, with both parties expressing their desire to continue at least one month prior to the expiration of the period covered by the current Memorandum of Understanding.

Item 8: Others

The Memorandum of understanding (MOU) as outlined in this document is not intended to be a legally binding document. Rather, it is meant to describe the nature and cooperative intentions of ITG and the host organization/institution to suggest guidelines for cooperation. Nothing, therefore, shall diminish the full autonomy of either party, nor any constraints be imposed by either party upon the each other, and nothing in this Agreement shall be deemed to create a partnership, joint venture, or agency relationship between the parties.

Additions or amendments to the provisions fixed by this Memorandum of Understanding are possible at any time, subject to consultation and agreement between both parties.

The Memorandum of understanding is not intended to create any legal relation of employer-employee or of principal and agent amongst the parties.

In WITNESS WHERE OF, the parties here to have executed this MOU in their corporate names by their respective officers duly authorized, on the respective dates hereinafter mentioned.
